

## Introduction

- Purdue Supplier Management prides itself on working to include and do business with many diverse businesses around Indiana
- We developed a search tool for Purdue Supplier Management to use to find many women, veteran, and minority-owned businesses in Indiana. We pull the data from IDOA.

## FILTERS

Search Database | Search by Application Type | Access Company Website | View Map

Company Name | Zip Code | Minority Classification (All)

Search by company name | Search by zip code | Search by the business's minority classification. i.e. Minority, Women, or Veteran Owned

Product/Service | City | UNSPSC

Search their products/services | Search by city | Search by their UNSPSC code (an identifier for the businesses) if you have access to it

## MAP VISUALIZATION

Map

Filter businesses by zip code

Search by geographic location

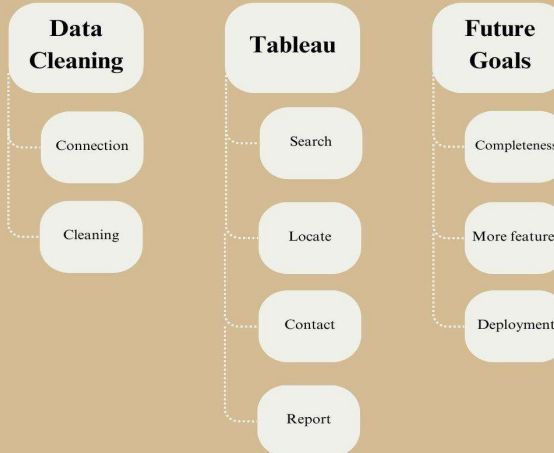

Company Name: Waterhorse LLC  
Mailing Address: 1, 109 W Washington St  
Address: 47990

## Research Methodology

- Take the Data from online and put it into Anvil using Python
- Use SQL in Anvil to clean the Data
- Update the Data daily at Midnight

## Conclusion

## Future Goals
